

Programs at New Outlook Detox

Medical detox is an intervention that uses different medications to help ease withdrawal symptoms and minimize complication risks so you remain safe and comfortable while you detox. Our staff provides you with around-the-clock monitoring and supervision during this distressing time.

Our programs provide you the following:

-  A call center for fast placement — (256) 888-1234
-  A quick evaluation of your needs.
-  An assessment that will help qualify you to get into any level of care needed.
-  Transportation to and from our facility when needed.
-  We accept the following forms of payment:
 -  Medicare
 -  Medicaid
 -  Private Insurance
 -  Private Pay
 -  Grant funded beds for those without other means
-  While in our program you will be medically detoxed and provided with group and individual counseling focused on your next phase of treatment.
-  Placement into the appropriate level of care once detox is completed.
-  Communication with your referral source at your request.
-  Work with families to help them understand the recovery process.
